SUPER DIGITAL CITIZEN: LITE

DIGITAL CITIZENSHIP

nearpod

Digital Citizenship

ESSENTIAL

QUESTION

How can we help others to be good digital citizens?

LET'S
THINK ABOUT IT!

Poll

The Internet gives us many “powers” or abilities we might not have otherwise. What is your favorite “power” of the Internet?

- Playing games
- Connecting with people (on social media, messages, pics, videos or emails)
- Homework or studying
- Looking up information
- Watching videos

With great power comes great responsibility.

The Amazing Spider-man background by marvelousRoland

Open Ended Question

What do you think Spider Man means by his motto? (“With great power comes great responsibility.")

Please enter your answer here.

What responsibilities might come with using your favorite “Internet powers”?

The things we read, see, and hear online can lead people to have all sorts of feelings. You may feel happy, hurt, excited, angry, curious, and much more.

So, what we do and say online can be powerful.

The Internet also allows us to learn about anything, talk to people at any time (no matter where they are in the world), and share our knowledge and creative projects with others.

LET'S

DIVE IN!

Open Ended Question

What does it mean to be a digital citizen?

Rule #5

Don't give out any personal information: age, school, location, male or female, etc

Rule #6

Never post or share anything you don't want the whole world to see and have access to forever!

Rule #7

Never make a threat on social media or the internet, even as a joke.

Rule #8

Save or print out any threats you see or receive and show them to a trusted adult right away. Report them!

Rule #9

If someone says or posts something that makes you uncomfortable, sign off. Block the person and report them to the site.

Rule #10

Never met anyone in the real world that you first met online without a safety plan approved by your parents.

LET'S
REFLECT!

Open Ended Question

Are there any other cyber safety rules you would add?

Please enter your answer here.

Behind the Screen...

Research shows that people are more likely to say mean things or do something inappropriate over social media that they wouldn't say or do in real life.

Open Ended Question

Why do you think people sometimes say hurtful things or do inappropriate things online that they wouldn't say or do in real life?

Please enter your answer here.

LET'S
TAKE A QUIZ.

Quiz

Read the scenarios below. Which person acts like a good digital citizen?

- Tyler gets an email from a person he doesn't know saying he won a prize. He immediately deletes it.
- **Sara helps clean up around her house without being asked.**
- **Emma and Charlotte are in a fight. They keep posting mean comments about one another online.**

What would a good digital citizen do in the following situation? ????? Nick sees that his classmate left her email account open on a school computer by mistake. Nick decides to _____.

- send an email from her account to a friend
- log out of her email and let her know that he closed it for her
- not do anything and let someone else deal with it

Most teens don't tell an adult that they have been bullied online

- True
- False

Students can receive consequences at school, even if the bullying occurs on the internet outside of school hours.

- True
- False

A text message can be deleted after it is sent and then no one can see it.

- True
- False
